

EUROPEAN SCHOOL OF ANTENNAS 2005
ANTENNA CENTER OF EXCELLENCE (ACE)

COMPUTATIONAL EM FOR ANTENNA ANALYSIS

19-23 September 2005

Place: *Politecnico, TORINO, ITALY*

organized jointly with the Italian Electromagnetic Society (SIEM)

General Information

1. The **maximum** number of attendees is limited to **25 persons** to allow optimal interactions and promote individual activities. The **minimum** required number is **6 persons**.
2. The **registration deadline** is on Monday **5 September 2005** (it might be possible to accept a few registrations afterwards, but 1) admission will be first-come-first-served, and 2) registrations effected after the deadline will not be guaranteed).
3. **Registration** is to be done using the VCE web site (see instructions below if uncertain on how to do it); please follow the instructions provided there for paying the registration fee; Email/fax registration should be used only in case of problems with the web site.
4. Venue. Classes will be held in the "via Boggio" and "main campus" locations; directions can be found at <http://www.polito.it/ateneo/siamo/sedi/torino/index.en.html>
5. **Accommodation and travel.** A list of hotels can be found in a separate file, travel info into another. Please note that Torino will be the venue of 2006 Winter Olympics, and several related events are planned already during September 2005, with possible difficulties in finding accommodation. **So, please proceed rapidly to find your accommodation.**
6. The **course fee** is 150 € for ACE members, 400 € for Non-ACE students or academics and 1,000 € for Non-ACE companies. All school operation is non-profit. For Non-ACE PhD students a number of **grants** are available (see below).
7. **Grants.** Up to 20 (max) grants of 250 Eur each (min) are available. Whoever is interested in the grant should send an application letter by E-mail to **Stefano Maci** (macis@ing.unisi.it) and **G. Vecchi** (giuseppe.vecchi@polito.it) using the form provided on the VCE web site. All qualified attendees are strongly encouraged to apply for a grant. Decision about the grants will be provided as soon as possible after receiving the E-mail.

Instructions to register to the course

Please, register using the course web page on the VCE web site.

If you are NOT already registered on the VCE site, you first need to register onto the VCE site; do the following:

- a) go to <http://www.antennasvce.org/>
- b) click on "education", then on the course name (**Computational EM for antenna analysis**)
- c) Once you are on the course page, you can download all relevant info, and register on-line: click on "register to this course" and follow >carefully< the instructions; you need to register into the "ACE community" (please use the email address where you want all info and docs for this course to be sent to) - and follow the instructions provided there for paying the registration fee.
- register to the course

If you are already a registered user, go to

<http://www.antennasvce.org/ACE/Education/ESoA/view?folder=14>
click on "register to this course" and follow >carefully< the instructions
